

Four ways to tell if something is true online

See something you want to share online?
Before you do, take at least one of these steps to
double-check whether it's true:

1
**Use fact
checking
tools**

2
**Find
the
source**

3
**Verify
the
source**

4
**Check
other
sources**

**Find out more at
www.breakthefake.ca**
