

# I'm excited to give you this new

(smartphone/tablet/computer/etc.)

I'm sure you will use it wisely! Here are some guidelines for us both to follow:

You promise...

- ✔ To be careful about sharing information about myself and others.
- ✔ To never share my passwords with anyone, except you.
- ✔ To only visit websites that I think you would approve of.
- ✔ To talk to an adult I trust if I come across anything that makes me uncomfortable.
- ✔ Not to download new apps or buy anything online (including in games or in apps) without checking with you first.

and I promise...

- ✔ To ask before posting anything about you online, including photos or videos.
- ✔ To not spy on you online unless you've given me good reason to think I can't trust you.
- ✔ If I do think I need to watch you closely, I will tell you that I'm doing it and why.
- ✔ To be there to help you if you need me and to always listen.
- ✔ Not to post on any of your social network accounts without asking you first.

- ✔ To put our devices away during \_\_\_\_\_  
(dinnertime, bedtime, etc.).

(Insert your own guidelines here):
